DREAM WEDDINGS DESIGNED FOR YOU

Imagine a spectacular wedding in a historic riverside hotel under the ramparts of Windsor Castle.

# W *elcome*

Sir Christopher Wren Hotel and Spa offers the perfect location in Royal Windsor, right on the edge of the iconic river Thames. Combined with four-star bedrooms, contemporary design and award winning cuisine, this unique venue gets the details right.

The hotel is comprised of several characterful buildings clustered around a historic cobbled street by Eton Bridge, just a two minute walk from Windsor & Eton Riverside Station which runs direct services from London Waterloo.

Brides can relax and indulge with a facial or massage in the Wren's Club or arrange a beauty therapist on the morning of the big day. With its open-air whirlpool spa, sauna and relaxation room, the spa is also a fine spot to kick off a hen night.

Two atmospheric suites are licensed for civil ceremonies for up to 90 guests. You can host a Champagne reception on the breathtaking riverside terrace, and a scrumptious wedding breakfast in a stunning mood-lit room.

Your Wedding Coordinator and host will be with you every step of the way – except, of course, down the aisle.

## A Moment *to cherish*

The flexible banqueting suites are licensed for civil ceremonies, hosting up to 90 guests in a classic yet contemporary setting.

There is the Princess Suite with magnificent windows looking out towards the Thames, a private bar and direct access to the riverside terrace.

The Sienna Room, with its deep red decor, is an atmospheric spot for an intimate wedding or renewal of vows.

Mood lighting supplements natural daylight, adding a rosy glow to your wedding ceremony.

Spill out afterwards onto the gorgeous terrace, a stunning riverside setting for drinks and photos. Take a boat trip down the river after the ceremony for a scenic and memorable addition to your special day.

## Celebrate *with loved ones*

The river Thames is a stunning back drop for a drinks reception and photos with family and friends.

You can sip Champagne, order jugs of Pimm's or let guests request pints and cocktails from attentive bar staff.

Canapés on silver trays are perfect for a little nibble. Fresh, colourful and in tune with the seasons, they are sure to tickle the taste buds.

## Dine *in style*

Suites dressed up beautifully in white for your wedding breakfast, with colourful sashes and fresh flowers on every table. Light streams in through large windows and you can step out to a beautiful riverside view.

Wedding breakfasts are a seasonal feast with fresh herbs and produce prepared by experienced chefs. Come to a complimentary menu-tasting to choose your three, four or five courses.

Serving staff will keep glasses topped up with red and white wine throughout your meal. A Champagne flute will accompany the toast and you can set up a private bar for other drinks.

Your Wedding Coordinator and host will help with the finer details including menus, seating plans and personalised place cards; nothing is too much trouble for our dedicated team.

## Dance *the night away*

After the meal, the suite transforms into a spectacular place to party, with colourful mood lighting to set the scene.

You can dance to music by a live band or DJ, or play favourites through a state of the art sound system.

We are licensed until 1am, so you needn't stop at the first dance.

And if you're staying in the hotel, you can carry on the party with a nightcap in the The Brasserie.

## Sweet *dreams*

When all these good things come to an end, the wedding couple can enjoy a complimentary stay in a spectacular bridal suite overlooking the Thames, or in the oak panelled Sir Christopher Wren suite.

Personalise your stay with Champagne, chocolates, rose petals and a sumptuous bed dressed in fine white linen.

The next day, relax with a delicious breakfast in bed, or join family and friends for a full English breakfast in The Brasserie at Sir Christopher Wren.

Your guests can stay over at a discounted rate, so nobody has to rush off after dancing the night away. Many of our 133 rooms are air-conditioned and family friendly and many have beautiful views of Windsor Castle and the Thames.

Sir Christopher Wren Hotel and Spa is a stunning place to wake together on the first day of your married life.

# Whatever *the weather*

Sir Christopher Wren Hotel is a stunning venue when the sun is shining.

Perfect for sunny drinks on the terrace watching the boats sail down the river; walks over Eton Bridge, or Thames cruises from the hotel's private jetty. But come rain or shine it is a beautiful venue all year round.

On colder days you can gather around a roaring fire in the Drawing Room, or catch the winter sun flooding into The Brasserie.

## Treat *yourself*

Sir Christopher Wren Hotel offers all the classic ingredients of a truly memorable wedding, brought together to suit your own unique style.

Anything you'd like, just ask your dedicated Wedding Coordinator. If we don't have it here, we'll do our best to arrange it for you through local suppliers.
